COMPANY, INC., D/B/A CEDARBROOK	)	
TREATMENT PLANT, TO RANDY JOE AND	)

O R D E R

On March 7, 1997, the Commission received an application requesting approval of the transfer of the Cedarbrook Treatment Plant from R. A. Williams Company, Inc., d/b/a Cedarbrook Treatment Plant ("R. A. Williams"), to Randy Joe and Ernestine Northcutt ("Northcutts"). Additional information was needed by the Commission in order to process the case. Despite efforts by Commission Staff to obtain this information, it has not been filed to date. A letter from Commission Staff sent June 13, 1997, to both R. A. Williams and the Northcutts asked that the additional information which had been requested be filed within 10 days, or dismissal of the case would be recommended. On June 20, 1997, the Commission received a letter from R. A. Williams which indicated that the case should be dismissed unless Commission Staff could persuade the Northcutts to continue with the proposed purchase. While the matter was pursued further by Commission Staff, no additional filings have been made. As the Commission cannot make a final decision in this proceeding based on the record as it stands, dismissal is required.

IT IS THEREFORE ORDERED that this case is dismissed without prejudice and without consideration having been given to its merits.

Done at Frankfort, Kentucky, this 17th day of July, 1997.
